### **Other useful things**

I highly recommend joining the [Alliance of Independent Authors](http://www.allianceindependentauthors.org). You get access to a lot of resources, but the most useful thing is probably the Facebook forum where you can go to ask questions at all hours of the day and night.

### **Websites and email lists**

I use [SiteGround](http://SiteGround) to host all my websites, which are all Wordpress sites.

My website designs are premium "themes" by [Studiopress](http://Studiopress).

I've been using [AWeber](http://AWeber) for my mailing lists since about 2012.
